

SELECT – FALL 2006

SELECT (Special Education Learning Experiences for Competency in Teaching) is a federally funded program sponsored by the Arizona Department of Education. SELECT courses are recommended for regular and special education teachers, related service personnel, paraeducators, and other interested individuals. Participants take SELECT courses to receive academic credit that can be applied towards teacher certification if the class matches the certification requirements. Classes can also be taken for professional growth for those working towards teacher re-certification.

SELECT courses can be taken in two ways: 1) Professional Growth or 2) NAU Credit.

- Which way you take a SELECT course depends upon if you will ultimately need a record of contact hours only or if you will need a record of the course on an official university transcript. Those people working towards fulfillment of emergency certification requirements will need university credit. Teachers working towards re-certification can take the course for Professional Growth contact hours.
- If you are trying to decide if a SELECT class will meet your needs for Special Education certification or re-certification, please contact the Arizona Department of Education Certification Office (1535 West Jefferson Street, Bin 34; Phoenix, Arizona 85007) or call them at (602) 542-4367; Fax: (602) 542-1141. They also have a WEB site at <http://ade.state.az.us/certification/>.

Registration information:
